Hey all, times come for me to go back...

I have been given the oppurtunity to go back to Australia..

And im taking it, much better place, lots more there for me. Now im going sooner then i expected. At first i was going back in september, but now somethings come up. Im going back on the weekend.

I won't be going back to the UK for a looooong time.

This means, No IRC for me, hardly on MSN and hardlyer here, in other words i will hardly be online at all.

When i get my old job back there, i will only be able to browse the forums and use MSN a little bit.

So, just saying my goodbyes now.

To all my close friends here:

Aprime - dude, your a hard worker and a good friend, keep it up.

Michelle - Girly, go kick those guys ass's on IRC, your a top girl and you have your whole life ahead of you.
