StealthEye wrote on Sat, 06 September 2008 17:27 Asking for release dates only makes us spend more time at the forums reading these stupid posts and makes us have less time for actually coding TT. Answer is the same as always. Done when it's done, stop asking please.

Do you ever answer nicely? I've seen alot of your posts lately in this section and you seem to get an attitude with everyone.

For someone who is supposededly representing the ren community,you're a real ass.
