shhhhhh don't let everyone know now.

<ftp://ftp.westwood.com/pub/renegade/fansitekit/RENFSK10.ZIP>

You must extract all the file's to view them right.

What I'm wanting to know is some of the pictures are not showing up does anyone have them?

Also does anyone here know how to do CSS for Invisionfree or Zeta Board's? if so PM

It's like a gold mine in there ftp lol i just found it not to long ago.
