<ftp://ftp.westwood.com/pub/renegade/fansitekit/RENFSK10.ZIP>

You must extract all the file's to view them right.

What I'm wanting to know is some of the pictures are not showing up does anyone have them?

Also does anyone here know how to do CSS for Invisionfree or Zeta Board's? if so PM

It's like a gold mine in there ftp lol i just found it not to long ago.

The Craziest Thing Would Be To Hack The Westwood F.T.P. Server And Change The Renegade Patch To Make It Recieve From An Other Server To Actually Make The Updates Work, By That I Mean Fans Making Their Own Updates. It Is An Idea That Can Work I Think.
