Rocko wrote on Tue, 09 September 2008 00:23yo its time 2 conquer rasism vote obama  
Like somebody said way back when you first said that the first time.. electing Obama would mean  
nothing in the fight against racism. Just proves that like 50% of American voters didn't give a shit  
about their country enough to elect him solely becuse he's black.

American voters aren't as smart as the media portrays them to be.. half the people I know don't  
even look at the news.
