When I made those remarks about your dull life and profile, I actually thought I was talking to that Carrier weirdo. Since you're all pretty much crying the same tune, it's understandably hard to keep you, Carrier and the Streetfighter geeks apart...now here's the funny part: My assumptions turned out to be correct nonetheless...not only do you dweebs give the same gay teary-eyed replies, you all share the same sad life story.

Now I feel really bad.
