R315r4z0r wrote on Wed, 10 September 2008 19:53 You said last 3, and I assumed you weren't calling yourself a n00b.

You misunderstand . "Last 3 n00bs" in the sense that you guys are responding to a person who has gone through a tragedy and has lost a loved one. He is going through the Grief Cycle and is obviously angry at what happened.

IMO, not the right time to refute anything he says. Let him be.
