Cabal8616 wrote on Fri, 19 September 2008 22:09 Try re-installing? Could be that it didn't install the sound correctly. I think I had this before, but I don't recall what I did to fix it. But I do know it's fixable atleast.

Thing is man i tried that so many times and nothing did the trick that i know of but hopefully somebody has a new idea that can get me up and going
