SMF Installer

Warning! You do not appear to have a version of PHP installed on your webserver that meets SMF's **minimum** requirements.
If you are not the host, you will need to ask your host to upgrade, or use a different host - otherwise,

If you know for a fact that your PHP version is high enough you may continue, although this is strongly

[Click here](#) to try installing anyway, but note that this is *strongly* discouraged.
