suppose banning your account to prove I can would be a bit... random?

You forget I know fud forums. You don't have access to the admincp which means you can't ban. I would bet you don't even have access to the group manager lol.

That and lets not forget you have already tried and failed to get me banned ...

I think I missed that episode.

I'll add a big red arrow to this picture, as it seems u totally missed it on the picture in my first post.
