Would you do meth if it was legalized?
No I wouldn't.

Abortion: for or against it?
Against.

Do you think the world would fail with a female president?
No.

Do you believe in the death penalty?
Yes, most certainly.

Do you wish marijuana would be legalized already?
Not wish, but I wouldn't vote against it.

Are you for or against premarital sex?
I am not, but that is me, I don't care what other do as long as it does not effect me.

Do you believe in God?
Yeah.

Do you think same sex marriage should be legalized?
No, but I don't think it should be illegal either, the government should have no power over marriage unless a person is under the age of consent.

Do you think it's wrong that so many Hispanics are illegally moving to the USA?
Yes.

A twelve year old girl has a baby, should she keep it?
Don't know, I'll have to go with what the states say as it is not in the power of the Fed to control this.

Should the alcohol age be lowered to eighteen?
Yes, if you can fight for your country, smoke cigs until you have cancer, and vote you should be able to buy alcohol.

Should the war in Iraq be called off?
Called off? Sounds like it is a get together, what stupid verbiage. Anyway, yeah the war should be "called off." As it is illegal because it was not declared by Congress.

Assisted suicide is illegal: do you agree?
Illegal, if a person can kill themselves it is fine, it's called suicide, anything "assisted" blurs the line between that and murder. Of course I see a difference between this and removal of medical equipment as you are "deassisting."

Do you believe in spanking your children?
Yes.

Would you burn an American flag for a million dollars? (Those of other nationalities I suppose could replace American with whatever country they're from.)
No I wouldn't, why would I burn my nation's flag? I like my country.

Who do you think would make a better president? McCain or Obama?
Neither.

Are you afraid others will judge you from reading some of your answers?
It's the internets, I don't care.
