Lone0001 wrote on Thu, 02 October 2008 00:15 How about a "Don't want it because it looks crappy" option?

I mean comon if they are so lazy they don't even feel like making new models then I say we should not buy that game.

I added the option.

I agree with your assessment. The game follows in the line of C&C 3 and KW. Same format but different units, factions, and storyline.

IMHO, it is more of a remake of RA2 except the storyline changes we see with Japan.
