Cabal8616 wrote on Thu, 02 October 2008 12:07The point of the pink texting was the fact that an incredible amount of people come here asking to be unbanned from servers/whatever reason regarding servers in Renegade.

So just ignore the post, if you didn't feel the need to reply they wouldn't annoy you nearly as much.

Some people aren't as educated in the workings of renegade forums as you or I. Don't condemn someone for trying.
