CrimsonSaved by a stupid receptionist... - 30 July, 2003 12:04 MST

I had an appointment for a girlie exam today, but the receptionist chick screwed up. She said the 30th at 3:45, but wrote Thursday on my appointment card. Apparently Thursday is what's in their books, so I get a 24 hour reprieve.

Why do we have to go through this? Guys don't go to a doctor to get a penis exam! "Hey, it's time for your testicular smear!"

God that sounds to painful. I am glad I am a man. Wouldn't even want to imagine the "Tools" they would use for that job.

But the Prostate exam isn't very nice either.
