Yes I do actually, except for gay ass scrin. True C&C is the tiberium universe (nod vs gdi) that soviet etc shit is just gay, you all agree if you play this game...unless your here and don't play renegade/don't like it in which case your gay aswell.

Uhh, RA games are also pretty cool. Tiberium universe is where its at but give RA2 at least a chance. And no, just cuz I play Ren doesn't mean I hate RA if that's what you're trying to say.
