John Shaft Jr.NHJ BVWhat's the use of having the friday off when it's being released saturday?

Cause I didn't want to go yo work on friday or today. As you read I said that I had to go thru another hard day at work. The point is i didn't want to go thru a hard day at work. I rather stay home and chill.

But see Krazyfoxx gets to stay home on friday and chill. That bastard.

What?... 2-day weekend?... Oh man that sucks! I feel for you
