ErroR wrote on Thu, 09 October 2008 04:55i dunno u can make ur own presset if u find the model (most likely u will)

actually, i won't. I'm using presets in my C-130 mods, and i can't mke new ones via the cnc_c130drop.txt file. I use the presets by typing :

-1 Creat_Real_Object 1, "hel_ag_exp"
-1 Attach_Script 1, "M04_Hunt_The_Player"

ect.
