I'm still calling it not cool man, not cool.

EDIT: What I mean is for example: I love the show Dr. Who and David Tennant even happens to be my favorite doctor but since nopol10 is and has been The Doctor, its completely off the market.

EDIT2: Vendetta wrote on Tue, 28 October 2008 05:01  
When do you get on msn man? you said you would help me with that one Tut on Renegade Fonts.

The torch has been passed.
