BlueThen wrote on Thu, 30 October 2008 12:33I don't know if this is even possible, but maybe coughing is some kind of nervous habit?

Thats what my moms saying but then why would I cough when im perfectly fine like laying down or doing homework, I will admit i cough more when im nervous or something like that but I also get nervous and dont cough and like I said above cough when doing nothing at all when nothings wrong/
