Subject: Crazy CTF?
Posted by HustlerX on Sat, 01 Nov 2008 22:38:20 GMT

Hello,

I have a favour to ask, basically I own a community called Steam-Gaming and we want to setup a CCTF server, but none of us know how to level edit so I was wondering
if anyone here could kindly make me a CCTF script. I would really appreciate it

Regards,

HustlerX
