I signed up with zunnie@game-maps.net with nickname zunnie for the forums and
when i try to login it says "User is not valid or doesn't have access to this site" while i just registered a min ago lol.

I had the same problem too! But in the link Gozy posted, you have to sign in here:
http://www.commandandconquer.com/

Sign in to the top-right corner. A window will pop out asking for info. Then it works from there.

NOTE: The site is slow to load.

The site has always been slow.

EDIT: I don't see the last page button :/
