Canadacd wrote on Thu, 06 November 2008 12:13 Here's an idea. How about people can go and live their lives however they choose to, as long as it's not harming others? Why is it so hard for people to grasp this simple concept?

I'm all for legalizing polygamy then

But seriously the gay issue isn't even a big deal. This isn't a theocracy so we shouldn't expect it to be one. Not that I am against any religion at all, I am just saying the only basis that makes gay marriage wrong would be religion, and this is not a religion-controlled society.
