Arizona also had this proposition on their ballet. I didn't put down a vote on it because I don't have a strong opinion about it....

But, I'm starting to agree with my friend about the issue. It should be permitted (and they have the same rights as all of us), but they children shouln't be made to have to go through a same-sex marriage....It'll just harm them. I am NOT saying same-sex marriage is bad for children though...

And, that is my position.
