SSnipe wrote on Mon, 10 November 2008 01:35 Does it actually work as much as i have heard it does? Would anyone happen to know before I waste my time on it.

I have all 3 levels of Rosetta Stone for one language. It works excellent but you must decide if it's worth your money since it's not cheap.

I got this for free from a relative who used it but I would not have bought it on my own due to the price.
