if you're going to make a statement like that back it up. Where have you seen me say I don't like black people? Cause I don't like Obama that means i hate blacks???

If Obama was a Conservative Republican and had the same values and beliefs as myself I'd have no problem voting for him. I don't like his views thats why I didnt vote for him. Has nothing to do with the color of his skin.

Did you vote for him cause he's half black? Remember his mom is white even though they only showed pics of dear ole dad.

the souls dont have color you idiot

is your soul half black to?

Mom is white, dad is black. Remember kids you can't take 50% white and 50% black and get all black
