ey,

I have only used LAN al my life so I don't even know what WOL is

But I only have to know is how I can get the enemy to shoot at me and my friend. And it would be nice that I couldn't kill my friend If I am on the Mutant's team with my friend it would be good.

Or if we would be together on one team.

So I hope anyone knows how to get one of these things.

Kind Regards,  
Brian
