ok, now go to your damned game-maps site, then remove OR put on my name as radar's creator, this one what canadacdn "release" as cheap copy of F.E.A.R-Sir Kane's hud

them, if it will be done, il release my work and maybe some other HD textures...k?

if not, dont tell shit about me anymore or some stealing or other...You have no idea what is going on here, so next time thinks about what you are posted...

I just wondering, its happen in 2007 and you are still dont know the true? or you are so retarded and wont care about skin's creators?

well, i have good feeling now, i can tell that story specially for you

Edit: for fucking last time!

said Scrin..

so he is the creator of the hud
