Something I've never quite understood why... or the reasoning behind:

Why is it illegal to VIEW images of some illegal sexual conduct? Like why can someone get arrested for looking at bestiality or child porn?!

It's one thing to actually DO it but to view it?! Doesn't that go against the constitution or some law or something?

(Please note I don't actually approve of such things myself, but it doesn't feel 'just' to arrest someone for looking at animal porn...)

As for the chicken.. I agree.. poor chicken.
