advantage skin thing

my opinion about it is..

Who gives a shit if its advantage when its looking way much better then the original?
you right mate.

btw, Reborn's team made it! so now C&C Reborn is CHEATING CRAP????????

here my opinion, C&C Reborn and this doors for the win!

actually even Big heads are not considered advantage if EVERYONE uses them (don't try it lol) i mean if everyone has the advantage then all of the advantages cancel each ohter

You can't compare bigheads with it, thats clearly a advantage (cheat) and it looks ugly as hell LoL.
This doors just looks better altho you can see through them, but its not helping that much
di3 is right

i cant even see the mines sometimes with those doors, just put them closer to the door, no advantage

anyways, your still going in to that building so how is it an advantage?

mabye if someone was stander there than yea but with mines i say no
