---

i have got a ladder problem

i had on a game 741 points

Date & Time	Ladder Pts	Game Pts	Game ID
-------------	------------	----------	---------

08/03/2003 19:11:42	741	2375	112324614
---------------------	-----	------	-----------

but wen i click on the game id :

There is no such game with that game id

and on all my rank points there went 0 up

so how could this happen?
