How do i add more styles to it?

Ok i just installed it and now I'm getting this error.

Parse error: syntax error, unexpected \$end in

Here is line 167 and the lines above and below

```
<p style="display: none;"><a href="#start_here"><?php echo ((isset($this->_rootref['L_SKIP']))
? $this->_rootref['L_SKIP'] : ((isset($user->lang['SKIP'])) ? $user->lang['SKIP'] : '{ SKIP }'));
?></a></p>
</div>
