find something u dont want to see,
EWD is there, and discusing cheats, nice job
my cousin ferkhat found it a long time ago

EWD is a member of that forum, just as many members of that forum are members here too. He doesn't create or distribute cheats. He's one of the good guys, and infact a member of the team that developed BIATCH, an anti cheat program for server owners.

Please stop trying to "muddy" this thread, it's really supposed to be something nice for everyone.
