Are you SERIOUSLY oblivious to the Leviticus laws?

It's a sin to get a tattoo (Leviticus 19:28). We shall not eat the flesh of shell fish (Leviticus 11:9-12). We must, also, keep three feasts: Feast of Unleavened Bread, Feast of Harvest, and Feast of Ungathering (Exodus 23:14-17). All those that work on Saturday (Sabbath) shall be put to death, too (Numbers 15:32-35). Oh, bestiality and homosexuality is the same sin as having sex with a woman on her period, too (Leviticus 20:13-18).

No, I didn't include the verses for what you're asking. I'm too lazy, so I just copied what I wrote a couple of days ago.
