Can someone fix this?

I have downloaded the reborn chars for NOD and GDI.

and this rifle [http://ren.game-maps.net/index.php?action=category&id=138&start=12&s ortby=name \(g36\)](http://ren.game-maps.net/index.php?action=category&id=138&start=12&s ortby=name (g36))

Can someone fix the hands?
