I agree almost entirely with Spooky here. Catholicism particularly (as I'm not sure how many other Christian denominations do this) irks me because of their forced indoctrination of children. They're against abortion, one of the reasons being there is no choice on the child's part- however, ironically, they're totally okay with raising a child in Catholicism only and majorly shielding them from information about other religions (I would know, this is happening to me right now,) and then use the excuse OH IT'S ONLY UNTIL YOU'RE 18 AND THEN YOU CAN MAKE YOUR OWN CHOICES. That's absolutely stupid. By the time you turn 18 most kids are brainwashed, and never had a choice whatsoever. It's disgusting.

Also I didn't see Frontier Psychologist's(Surth? I forget) edit way back on the first page, so just incase he reads this:

Gotta go right now but maybe I'll add on to this later
