what are you 2??? i just explained myself and yet you bring it back to you. its not all about you. i know you want it to be but its not.

I do love how you ignored my entire post, though.

and i love how you keep trying to make this all about you. Maybe we need to start a post about just you so you can talk and get all the attention.

Anyway, you know the original topic was called why did you vote for Obama? I think one person posted a reason.
