ok, i just forgeted to show up all my projects...
GDI/NOD huds i made for C&C Reborn's vehicle beta, but dev team don't get pleasure on my style...
and also i made 3 high maps overheads for gps radar (its working with current infantry beta) (i have also C&C_Smallvile, but its first map build and there no Constuction yard structure)

and my AVP radar still in progress (i don't want to work with all anymore, because i dont want to waits 8324623735 days before 4.0 come out...)

o! bad memmory...
