I've started the C&C-Shooter-Section at the german united-forum.de

<http://www.united-forum.de/c-and-c-shooter-f117>

It's all about Renegade, RenegadeX, Reborn, A Path Beyond and Apocalypse Rising.

Please, all German Renegade Fans, have a look there and leave some postings with your thoughts and news...

I need to get traffic and activity into that section. Goal is to force the german community and to get more players to Renegade, APB and Reborn.
