Off topic:

LOL, Cheesesoda @ my hardheadedness. I JUST realized that your avatar was a Hammer and Sickle XD.

For the past few weeks I've been wracking my brain around why you, of all people, would be supportive of Obama. Now it makes sense.

Back to topic:

You know, it shows a person's join date next to their name. So if you don't remember someone, check their join date and see if they were around before you went on hiatus.
