Do you people even pay attention? He never denied that people voted against Obama because he was black.

Nukelt15I'm sure that a large number of people voted against him with similar motivations

While I do fear that Obama wants to take away more of my guns and ammunitions than I would like to see (ie. 0), he has stated that he doesn't want to take away our guns.

Obama"I will not take your shotgun away. I will not take your rifle away. I won't take your handgun away."

However, that doesn't mean he won't attempt to limit and seize ammunition.
