Goztow wrote on Wed, 17 December 2008 08:37C: "That mobile rocket launcher's as good as new, Sir!"

R: "The new '6 lock' projectile aiming assistance should improve the homing capacity of its rockets by 57 %!"

Aaaaah, it's good to know you have capable soldiers in your squadron. Lieutenant Goztow was pleased.

G: "Gentlemen, good work! I will put your positive input forward in my battle report to General Crimson!"

Weeks past by, then months. A soldier's life is well filled and both forgot about this little passage. Until today.

I don't mean to be a trolling asshole but that was really lame lol!

congrats , I find reborn is actually pretty chill and friendly.
