If only I had time, and some real skills, I would totally be here to help you guys out a bit more, lol! My life has totally been kicked into high gear this summer, I am constantly doing something somewhere... Never in my life have I gotten such a sweet farmers tan, lol! Anyways, I'm still watching, and occasionally playing Renegade, just not with the same intensity as before... I still will help out whenever I got the time... I'm still using the same hotmail addy if you wanna ask me if I can do something for you...
