sry for the delay, but i have to do ~30 skins, and each take about 5 min each for good quality. I'm currently working on it, and will upload when done. have about 5 done right now, but b/c of the time of the year, i have to do alot and won't be able to finish in one run. Aprox upload date:

1-5-09 (if not earlier)

If i haven't finished it by then, i will upload all i got.

BTW: when this is finished, it would be a good thing to upload to Games.net or whatever it called.
