BlueThen wrote on Wed, 24 December 2008 11:03l wish another company will take Westwood's place, and not ruin the entire C&C series. EA doesn't seem to care much about it.

That is my wish too...several gaming companies have sold their home-grown series and have come back in later years to rebuy the licence.

EA is so screwed up the C&C series...I have C&C3, KW...all lying inside boxes cuz they so damn boring.

They will probbaly use C&C to get the temporary cash (like with RA3)...
