I really don't understand how to pass the 4th mission(Stowaway) at the end.I got stuck in the part when i have to protect the prisoners and find the ship captain, eliminate him and obtain the security card. But where the hell is he?I searched and eliminated all the enemies on the board.I got 3 security cards: yellow, red and green. Please help me as fast as you can! Here is a printscreen.

Prisoner health level critical. Mission failure eminent.
Locate the ship captain and obtain the submarine security card.
