Ghostshaw wrote on Tue, 20 January 2009 15:34Err it is already sorted by players in the server (if you have scripts 3.x, else its sorted on name). It just doesn't count GSA players and such (and no we can't possibly fix that).

Ah, ok. I must have an older version then.

Come to think of it, I haven't updated my scripts in a long time..

edit: Okay, nice, works like it should now.
