The haunted house thing woulda been way cooler, but no, you had to listen to all the 12 year olds ;_;

Well, for once I decided to let people vote for what they want. It seems most of the people want to play in a strip club in the hourglass tunnels.
Its going to turn out like some kind of a Nightclub, only with some nude bitches in it.

For my next project I'll make something totally different.

So better wish me luck so I complete it quiker ^^

Well, if you ever feel up to redoing an entire map, I suggest redoing field into a creepy/haunted atmosphere. It'd actually work perfectly.
