lol, this forum is still up...
By the way, few days ago i have write "HUD" in google search feature and get impressed by result, there some renegade ones... (try it)
And here another one for collection
Here also some last DeathLink's features inside

p.s. please if someone already has building bars/icons displaying features, share it with me via PM (without that feature, my hud is not full)

Quality 16 bit jpg (dont cry about it)
