K9TrooperahhoHey! I am a noob to renegade and i am just wondering that if there is a no cd patch out there that i can download. I just bought the game and it is already scratched :rolleyes:

I paid \$40+ dollars for my Renegade. The game is now something like \$10. Just get another \$10 and buy a new set. You are still going to get a great deal. :rolleyes:

i agree with u Trooper
