Yaraday (Different Forum)

Two guys are at the Hastings District Court in New Zealand. One of the guys, Regan Reti, has just been sentenced to two years in prison for assault. The other, Tiranara White, has just been convicted of stealing a car and violating parole. They were handcuffed together and led out of the court house. That's when it happened.

They make a brake for it. Even though they fall over and get pepper-sprayed, that wont deter them from freedom. They get back up, and continue to run. But then....

They foiled their own getaway when they ran past opposite sides of a light pole, slammed into each other and fell to the ground!

They were apprehended as they struggled back to their feet. They're due back at court on Thursday.
